DOCKET NO. E-01345A-11-0232
REVISIONS AND SUPPLEMENT
TO APS'S DECEMBER 9, 2011
COMMENTS ON STAFF'S
PROPOSED ORDER

In advance of the Open Meeting set for January 10th and 11th on Arizona Public Service Company's ("APS") 2012 Demand Side Management Implementation Plan, APS submits the following revisions and supplement to the Proposed Amendments attached to its December 9, 2011 Comments on Staff's Proposed Order.

APS supplements and revises its December 9, 2011 proposed amendments as follows:

1. APS submits with this filing a revised Proposed Amendment #1 that addresses changes in the language between the November 30, 2011 Memorandum and Proposed Order and the December 29, 2011 Second Revised Proposed Order.

2. APS's Proposed Amendment #2 has been addressed in the Second Revised Proposed Order and thus this amendment is now moot.

3. APS withdraws Proposed Amendment #3.

4. APS's Proposed Amendment #4 has been addressed in the Second Revised Proposed Order and thus this amendment is now moot. APS notes, however, that its proposed Amendment #6, which is attached hereto, may affect the DSMAC Rates and Performance Incentive. The effects of any change will be negligible. Rather than submit a formal amendment APS representatives will be in a position to discuss the revised DSMAC Rates and Performance Incentive at the Open Meeting.

5. APS's Proposed Amendment #5 has been rendered moot based upon the wording of the Second Revised Proposed Order.

6. APS submits Proposed Amendment #6, which modifies and reduces the budget for its Shade Tree Program.

RESPECTFULLY SUBMITTED this 6th day of January, 2012.
